

# The Nurse

A nurse's job is probably one of the most important jobs in the whole world. They help people who are sick, but most of all their job is to help save lives.

**Nurses are very caring people. They care for babies, children, older people, and anyone who is sick and unwell. They are very knowledgeable and when they find out what is wrong with a sick person, they will care for them until they are feeling better again.**

Their job reminds me of the Lord Jesus. He is very caring. He helps people who are sick. We read about all the people He helped and cared for in the Bible. He cares for people of all ages.

Most of all He saves people's lives from sin. God loves you and He cares all about you.

**"He careth for you." 1st Peter 5:7**

When nurses help to save someone's life, they try to stop them from dying. When Jesus saves your life, you don't have to worry about dying.

When He saves you He promises you eternal life. This means you can live forever with God in heaven.

**“Whosoever believeth in him should not perish, but have eternal life.”**

John 3:15

**The wonderful thing about being a Christian is that when you die you can be sure of going to heaven forever.**

**That's why you need to be saved.**

**“The Son of man is come to seek and to save that which was lost.” Luke 19:10**

If you want to be saved from sin and ask the Lord Jesus into your heart, here is a prayer that will help you do that. Remember saying the prayer won't save you; you must really mean what you say with all your heart.

### Prayer:

Dear Lord, I am a sinner. Please forgive me for all my sin. I'm really sorry for all the wrong things I have done. Thank you for dying on the cross to save me. I believe in you. Please come into my heart and life now and save me. Help me to live for you every day.

Amen

If you meant your prayer to God, then the Lord Jesus has saved you. God says in His Word **“Believe on the Lord Jesus Christ, and thou shalt be saved.”** Acts 16:31

### What to do now:

Read the Bible and pray to God every day. Don't forget to tell others that you are now a Christian. Every day live your life for Jesus.
